

# HAPPY BIRTHDAY!

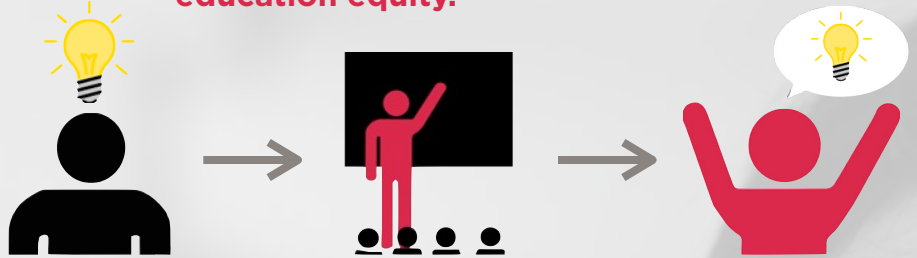

As you might already know, we are a **FOR-PURPOSE ORGANIZATION**

We enlist the country's most promising young leaders to teach for two years in under resourced public schools throughout the Philippines.

Through their experiences in the classroom and commitment to their communities,

**Teach for the Philippines transforms leaders into lifelong advocates for education equity.**

**Teacher Fellows commit to keeping education at the top of the national agenda and restoring prestige to the public school teaching profession.**

Together with the community, we work to transform public school classrooms into progressive and positive learning experiences.

**This year, we invite you to celebrate your birthday in a slightly different way.**

**Remember, that favorite birthday? Let's recreate it!**

**Pledge your birthday to support a Teach for the Philippines Teacher Fellow!**

## How it works?

**1.** Pledge your birthday by posting **on your Facebook wall** and sharing your pledge with your friends. Tag **our Facebook page** when you do!

**2.** Around the week of your birthday, invite your friends abroad to donate **here** on your behalf. Alternatively, friends in the Philippines can also write a check payable to Teach For the Philippines, Inc. **You** will personally receive a Certificate of Donation and Thank you letter from the organization!

**DONATE ONLINE**

**3.** If you send us a photo or a short video of your celebration, and should you so choose, we would love to thank you personally on our social media platforms!

**Your gifts become gifts for others. Your birthday changes lives.**

We personally invite you to join us at any of our future events! Again, we wish you the happiest of birthdays and thank you in advance for helping us achieve the vision of providing those who need it most with something we all received: **access to an excellent and relevant education.**

Best,  
**Your Teach for the Philippines Family**
